Government-Wide Medium-Term Information & Communications
Technology Harmonization Initiative (MITHI)

April 7, 2016

ADVISORY

TO : All Heads of Departments, Bureaus, Offices, and Agencies of the National Government Agencies

SUBJECT : Requirements for FY 2017 Information and Communications Technology (ICT) Budget Proposals under Tier 2

- 1.0 The Government-Wide Medium-Term Information and Communications Technology Harmonization Initiative (MITHI) issues this advisory to inform agencies of the requirements for FY2017 ICT-related budget proposals under Tier 2.
- 2.0 Aforesaid proposals shall include the following activities as reflected in the agencies' endorsed Information Systems Strategic Plans (ISSPs):
 - 2.1 New or expansion of existing projects;
 - 2.2 ICT hardware replacement and upgrade; and
 - 2.3 Recurring ICT-related PAPs not included under agency hard ceiling.

As per National Budget Memorandum (NBM) No. 125 and 125-A, agencies shall submit these proposals to the Department of Budget and Management (DBM) using the BP Form 202, copy furnished to MITHI. Attached is a copy of the form for reference.

- 3.0 MITHI shall only be recommending ICT-related budget proposals covered by endorsed ISSPs. Agencies are thus reminded to submit pending requirements needed for the endorsement of their respective ISSPs to facilitate review and recommendation to the DBM. Attached is an updated list of agencies with endorsed ISSPs for reference.
- 4.0 Following the schedule indicated in NBM No. 125, the deadline for the submission of above requirements is on **April 22, 2016** (Friday).
- 5.0 For your information and guidance.
