Government-Wide Medium-Term Information & Communications
Technology Harmonization Initiative (MITHI)

18 January 2017

ADVISORY

TO : All Heads of Departments, Bureaus, Offices, and Agencies of the National Government Agencies, including State Universities and Colleges (SUCs) and Government-Owned and/or Controlled Corporations, Congress, the Judiciary and the Constitutional Commissions

SUBJECT : Submission of ICT Budget Request for Tier 1 for FY 2018

- 1.0 The Government-Wide Medium-Term Information and Communications Technology Harmonization Initiative (MITHI) issues this advisory to remind all concerned National Government Agencies (NGAs) that the **submission of an Information Systems Strategic Plan (ISSP) that covers FY 2018** is a requirement for budget allocation of ICT-related expenditures for Tier 1.
- 2.0 Agencies are required to submit Annex A-5 of the streamlined ISSP template, which is the Existing Information and Communications Technology Infrastructure Inventory. This will serve as one of the documentary bases for budget allocation for ICT-related expenditures for Tier 1.
- 3.0 The deadline for submission of BP Form 201 (Summary of Obligations and Proposed Activities/Projects) through the Online Submission of Budget Proposals System (OSBPS) is on January 30, 2017. A copy of the submitted BP Form 201 must be sent to the MITHI Secretariat email (secretariat@mithi.gov.ph).
- 4.0 For your information and compliance.
